

About UTOUG

The Utah Oracle Users Group (UTOUG) is a regionally focused group of more than 700 Oracle professionals throughout Utah and southern Idaho. UTOUG provides educational training and enrichment learning opportunities for multiple Oracle products including Database, Development, APEX, Applications, Business Intelligence, and Hyperion. Training Days, UTOUG's largest event, continuously attracts hundreds of members to hear top speakers from throughout the world. Members come from all career levels, from students to seasoned professionals, to learn, network, and be inspired by innovative tools and techniques to improve their careers.

The following sponsorship levels support UTOUG at our annual two-day Training Days conference. Year-round sponsorships are also available for those sponsors who want an additional brand touch with our members throughout the year.
